

# ABOUT B20 INDONESIA 2022

## ADVANCING INNOVATIVE, INCLUSIVE AND COLLABORATIVE GROWTH

The Business 20 (B20) is the official G20 dialogue forum with the global business community. Established in 2010, the B20 is among the most prominent Engagement Groups in G20, and is tasked with formulating policy recommendations on designated issues. These recommendations are then delivered to the G20 Presidency at the B20 Summit, which takes place around the G20 Summit.

In 2022, the B20 Summit will take place on 13-14 November in Bali. The 2022 B20 is organized by the Indonesian Chamber of Commerce (KADIN) at the behest of the Government of Indonesia, which holds the current G20 Presidency.

(KADIN Indonesia), Host of B20 Indonesia

Since the B20 Summit was established in 2010, this gathering has served to channel the voice and aspirations of the global business community to G20 leaders. The B20 Indonesia 2022 is organized by the Indonesian Chamber of Commerce and Industry (KADIN Indonesia) at the behest of the Government of Indonesia, in the hopes of bringing together global business and thought leaders to address pressing economic issues from a business perspective. It is our great hope that this year's B20 Summit will find consensus and common cause on priority causes, so as to move forward on a united front. Now more than ever, the voices of global business are called upon to ensure inclusive and sustainable growth for the future.
